UBLICATION OFFICE, - BROADWAY.

Gen. Harrison is credited with the statement that he is done trying to please in the administration of the adm please in the administration of the presi- democratic majority. That is of all readential office. A president who seeks to sons the one why Montana should have please every one, he says, pleases no one | the honor of first mention in the proclaand only succeeds in making himself | mation. unhappy. To a certain extent the president is right, but it is also true that an executive who acts only according to his a clergyman named Towne for \$800 due own inclinations and without availing for services in preparing the address himself of the knowledge others may which the distinguished orator delivered have and are willing to place at his dis- on the occasion of the constitution cenposal regarding men and policies is sure tennial in New York three weeks ago. When she was a Child, she cried for Castoria, to experience his full share of trouble. Mr. Depew has been commonly credited When the president said: "There is only | with sufficient ability to prepare his own | When she had Children, she gave them Castoria, one way to get satisfaction out of a pub- speeches, and Towne's claim threatens to sic office, and that is to please yourself | shatter one of the American idols. An while you are in it," he avowed a nar- accomplished after-dinner talker is much

which is sure to lead to the acceptance of

row and a selfish principle, and one to be preferred to a Towne crier.

tion, "a public office is a family trust." The president has been having some | will be a notable occasion, and will afford practical experience with the plan of those who attend an excellent and profittrying to please himself. The two IIIi- able evening's entertainment. It is in a nois senators made a certain recommen- measure a precursor of that other event dation to him regarding the Springfield | in the life of a commonwealth-its adcollectorship of internal revenue, which | mission into the union of states with all the president saw fit to ignore. The the rights and privileges thereunto besenators naturally felt hurt at the rejec- longing. tion of their advice, which the president's inaugural address had invited when he cautioned senators and congressmen to be careful in making rec- New York editor who had the temerity to lower than those of last evening. Government ommendations for office because to a assert that the Bellew aforesaid was not bonds were dull and see dy. assert that the Bellew aforesaid was not large extent the president must rely upon their knowledge of men in their own states or districts. Last Monday Senator Farwell had a talk with President Harrison. The latter intimated that he had never given the senators reason to suppose he desired their advice regarding that office or any other offices. regarding that office or any other offices other people's letters." How about the in the state they represent. Senator Murchison letter? Surely no democrat Farwell did not quote the language of was the author of that epistle to Anglohis inaugural to the president, but, phobists.; produced a copy of a letter Gen. Harrison had written to President Arthur six or seven years ago, when the latter had nade an appointment to the Indianapolis collectorship without consulting the then senator, now President Harrison. The cases were precisely parallel. Gen Harrison's letter to President Arthur was exceedingly caustic. The reply of the president when he found himself thus neatly cornered was indicative of a thoroughly selfish man, "Well, senator," he said, "when you become president you will see things in a different light than you do now; that is my expe

The long and short of it is that as senator Gen. Harrison wished to name dent he is not willing that senators or dent he is not will be as low in the latter part of the dent he is not will be as low in the l in their states or districts-in brief that Harrison shall be the fountain head of power, whether as senator or president.

The present visit of the shah of Persia is the third which the descendant of Aga Mohammed has made to Europe. The first, in 1873, was principally devoted to an inspection of the little insular kingdom which had made him and his seven edge its power. The treaty of 1866 between England and Persia marked a new and more progressive era for the latter country, for the observations of Nasr ed-Deen have led him to admit that his people were being left behind those nations which had made the most use of the railinto Persian enterprise to some extent, largely through the influence of S. G. W. Benjamin, who represented this government at Teheran from 1883 to 1885, Railway lines are now in course of construction in Persia, and several telegraph lines are in operation. Shah Nasr-ed-

BRAVE BISHOP WAL

A STORY OF A DAKOTA ST

An Old Soldier Saved from Trampled to Death by a Fract

Grand Forks, N. D., special: Walker, of the Episcopal church, w much honored in North Dakota, tinguished himself by another act age. This story, new published first time, is going the rounds re a visit to Bismarck to bold service t a certain Sunday. The church was ed with legislators of all parties and nations. The sermon was timely. Or ish, an soldier who was a captain army during the rebellion and was ed in an engagement, took the bish cutter to visit some of the families parish. The soldier was very lam found it very difficult work to get out of the sleigh. There were high here and there of the snow. They safely over and through several of Finally they came to one which was Finally they came to one which wa treacherous. In a jiffy the sleigh wa turned and the two men were out snow struggling to rise. The sold thrown underneath and lay there en in buffalo robes and reips and em snow wreaths. The horse began and plunge. In a moment the bi on his feet, and with one bound the head of the frightened animal. at the same time laying his on the head of the infuriate mal, the bishop seemed to drag him by main force f from treading upon the struggling The latter found it difficult to rislowly disentangled himself upon the ground, the soldier lee-the bishop grappling with the hor down from your high eminence way. It looks like state against c

me to have overturned you thus. militant, in the end. It will be chu calcitrant if this horse goes on a That evening the people of Bisn gave the bishop a great reception. Hon hand and came up smiling. The dier was among the missing, used the experience. Western legis crowded around the bishop and con lated him on his "horse sense" an "cavalierly bearing." The course chief shepherd of the church of Nort kota was the hero of the hour. He
